

Residential Shredding

Can you shred old photos and file folders?

Yes. our **industrial shredders** can destroy all photos and file folders safely, customers dont have to remove staples or plastic wraps. Our hard working staff does all the work. Our machines are equipped with large magnetic strips to remove all metal debris and the staff does the rest.

We can also **shred** your 35 MM photo films via inceneratorator since they cannot be recycled. We make shredding of family old photos and films safe and affordable. Call us today to make a reservation at **978-636-0301**
