

# Media Destruction

## Can I watch My Media be shredded?

Your Hard Drive is one example of **media destruction** target, it is full of Confidential information, it has become a target for identity theft. When Business and Charity organizations upgrade their computers, they often forget to destroy the data on the hard drives. This can be a high exposure risk to both company and its clients.

We understand your concerns, you to witness the [shredding of your media](#) at our office. We do offer a Notarized Certificate of destruction that proves that the [shredding](#) was completed in a secure matter. The shredding is witnessed by a Massachusetts Notary Public who will sign and seal your certificate of destruction.

CDs and Diskettes can be shredded in our **Witnessed Shredding service** plan, you can drop-off the media at the **Tewksbury MA** location and watch it being shredded in front of you. Please call (978)636-0301 to arrange for an appointment or visit our website [here](#)
