

Residential Shredding

Do we have to remove staples, paper clips and binder clips before shredding?

NO need to remove staples and paper clips prior to shredding service and here is why:

Our industrial Plant is equipped with a heavy-duty [shredder](#) that is capable of removing all metals from the recycling stream. Our industrial shredders can shred paper, cardboard, hard-drives and even truck tires. So, why would you want to waste your time and energy in front of your powerless **office shredder**? Leave all the work to us Call us at **(978)636-0301**.
